

Toilet Training Service Agreement

At First Adventure Academy, it is our goal to help your child reach their developmental milestones while enrolled in our program. Toilet training is a critical part of development and it is our mission to assist your family with reaching this goal. Each child presents with their own unique set of circumstances that influence the duration of time it takes to achieve completion. Continued reinforcement at home plays an important role in ensuring that your child will have the highest rate of success. It is important for parents to recognize that we do not provide any guarantees. Collaboration between the teacher and parent is necessary during the toilet training process. We encourage you to consult with your child's pediatrician to evaluate if he/she is developmentally ready before beginning the toilet training process.

To ensure we have a successful transition with potty training here we do ask that the following criteria is met prior to your child being in underwear at the center:

- Your child must be able to spend one full weekend in underwear with no accidents
- Your child can indicate when they need to use the restroom and/or they are able to consistently remain dry between scheduled bathroom times (about an hour)

It is the responsibility of the parent/guardian to provide all necessary items prior to beginning the toilet training process. These items include but are not limited to: **(3) extra changes of clothes, pull-ups or training undergarments, and wipes. Pull-ups should be available during the potty training process. If accidents become too frequent throughout the day the child will need to be put in a pull-up for the remainder of that day.** These items are of great necessity to the toilet training process and must be kept at the center always. Soiled clothing will be sent home in a bag at pick up and it will be the responsibility of the parent to launder those items. Toilet training will include positive reinforcement and will follow a routine established between First Adventure Academy and the parents/guardians. The teacher will provide ongoing feedback about your child's progress and a daily report of scheduled bathroom breaks and their outcome.

I, the parent/legal guardian of the child listed below, hereby give my full consent and approval for my child to participate in the toilet training process. I certify that my child is fully capable of participating in toilet training and there are no restrictions placed upon him/her that would hinder this process. I agree to keep the teacher updated on progress at home and provide all necessary items outlined in this service agreement. I understand that failure to provide these items may void this agreement and that toilet training services will be interrupted until the supplies are provided.
